

BREIF RESUME OF DR UDAY. M. JADHAV

Consultant in Cardiology at the MGM New Bombay Hospital., Fellow of the American College of Cardiology (FACC), European Society of Cardiology (FESC), American Society of Hypertension (FASH), Indian College of Cardiology (FICC) Cardiological Society of India (FCSI), American College of Physician (FACP), Indian Academy of Echocardiography (FIAE), Indian Society of Electrocardiology (FISE) and Indian College of Physicians (FICP)

Professor and Faculty, Maharashtra University of Health Sciences.

Program Director for ASH scientific meeting in India in 2013, 2014, 2015 and 2016. Program Director for ACC Cardiosource India Live program in 2009 and ACC CV Update 2010 to 2016, Best of ACC India Meetings 2009 – 2016. Program Co-Ordinator for the ACC India Rhythm 2014 to 2016 meetings in eight cities and ACC Lead 2014 meeting for West Zone in Mumbai. Faculty for ACC Foundation Industrial Training Program in India in 2012.. Faculty for AHA 2013 meeting in Mumbai and Best of ADA meetings in India.

Original research presentation at the American Society of Hypertension on effect of newer ARBs Olesartan and Telmisartan in morning surge of blood pressure, meta-analysis of Azilsartan and Cinidipine in Hypertension May 2016 at New York, correlation of central aortic pressure with brachial pressure with the newer ARBs and fixed dose combination of Olmesartan with Amlodipine in May 2015 at New York, European Society of Hypertension in June 2013, Milan, Italy on EFFICIENT Study, American Society of Hypertension on comparative efficacy on ABP monitoring of newer ARBs in May 2012 at New York. Prior research presentations include in May 2006 at ASH, New York, European Cardio-vascular Research Congress in Oct.2005 at France, ESC 2007 in Vienna, ESH 2008 at Berlin. Been a referee for European Heart Journal, Indian Heart Journal, International Journal of Cardiology (U.K.), Vascular Health and Risk management (U.K.), Journal of the Italian Society of Diabetes and Atherosclerosis, Japanese Journal of Experimental Medicine & JAPI. Invited Expert Columnist for SIIC, Argentina on endothelial dysfunction. Faculty Member of SPAF Academy on Newer Anticoagulants.

Author of the STRONG Study published in American Journal of Cardiovascular Drugs, June 2009 and Tenecteplase registry in AMI, Indian Heart Journal Oct 2009, Dec 2010, Oct 2011 and Feb 2013, EFFICIENT study on Diuretic-Amlodipine combination therapy in hypertension in April 2014, Stress test ECG in hypertension, Calcium Scoring for CV risk assessment in 2014, Masked Hypertension and White Coat Hypertension in 2015, Azilsartan in 2015

Fellowship in CT Coronary Angiography in summer 2005 in Los Angeles and Winston-Salem, USA. Currently involved with cardiac CT and Calcium Score Risk prediction.

Actively involved in research in the field of atherosclerosis, dyslipidemia and hypertension. 50 presentations and amongst the first in the country on Carotid Intima-media thickness, Endothelial dysfunction at the national level, including the Award sessions at the American College of Chest Physicians, International Critical Care Congress, Cardiological Society of India (CSI), API, Hypertension society of India & Indian College of Cardiology in the last 10 years. Publication on the subject in the Indian Heart Journal, Asian Journal of Clinical

Cardiology & JAPI. Expert faculty for the Public Health Foundation, India for the Diabetes Certification course for physicians (CCEBDM). Invited faculty for all prestigious national societies in the field of cardiology since last 15 years. Invited Faculty for Pre-Hypertension and Cardio-Metabolic syndrome in Barcelona 2013, Warsaw 2014 and Venice 2016.

Conferred the Dr D P Basu award for the best original contribution on the subject of Pulse wave velocity at the CSI National Conference at Bangalore, December 2004. Awarded the P J Mehta Oration in 2003 and Jal-Vakil Lecturership in Cardiology in 2005 for API and Dr K K Datey Memorial oration at the CSI 2011 annual conference in Mumbai. Awarded for outstanding contribution in Cardiology by the American Association of Cardiologists of Indian Origin (AACIO) in March 2012 at Chicago.
